SUBJECT Olin E.A. —	TIME 1:30 AM OIN QCP - NEW ROME ROCK ACID REPORT AGD006354542	
SUMMARY OF COMMUNICATION		
<p>went over problems I had found w/ GCA's report</p> <ul style="list-style-type: none"> <li>- poor fig's</li> <li>- technical pt's eg. ground water and site characteristics</li> <li>- lack of review of Olin results</li> <li>- poor relation of site characteristics to potential hazard</li> <li>- lack of strong declarative statements one way or other</li> </ul> <p>told her we would extend performance period (but I thought the report was unsatisfactory and needed some further work. Said I didn't think there would be additional funds available to re-work report.</p> <p>She said it had been bid low to start with (408 hours) and she wasn't sure if they could do more on it. I told her she <del>is</del> needed to check with whoever makes decision as to whether they want to try to provide us a satisfactory report.</p>		
CONCLUSIONS, ACTION TAKEN OR REQUIRED		
<ul style="list-style-type: none"> <li>- Will send my comments and those of Kathy Plourde to her next week - 5/28-29</li> <li>- Suggested we try for meeting last week of June and she concurred</li> </ul>
